DEPUTY CLERK

① This is a civil action authorized by 42 U.S.C. Section 1983 to redress the deprivation, under color of state law, of rights secured by the Constitution of the United States. The court has jurisdiction under 28 U.S.C. section 1331 and 1333(a)(3). Plaintiff seeks declaratory relief pursuant to 28 U.S.C. section 2201 and 2202. Plaintiff's claims for injunctive relief are authorized by 28 U.S.C. Section 2283 and 2284 and Rule 65 of the Federal Rules of Civil Procedure.

② The Middle District of Pennsylvania is an appropriate venue under 28 U.S.C. Section 1331(b)(2) because it is where events giving rise to this claim occurred.

③ Plaintiff, William Brandon Connolly, is and was at all times mentioned herein a prisoner of the Commonwealth of Pennsylvania in the custody of the Pennsylvania Department of Corrections (DOC), currently confined in SCI-Frakville, in Frakville, PA.

④ Defendants, Andrew Newton, Jonathan Simpson, Kevin Bly, William Purnell, P. Moser, John Doe 1, John Doe 2, John Doe 3, John Doe 4, ~~John Doe 5~~, John Doe 5, John Doe 6, ~~John Doe 6~~, John Doe 7, John Doe 8, John Doe 9, John Doe 10, J. Schickram, V. Blommel, B. Testen, J. McCord, P. Foulds, T. Kopinski, J. Tedesco, C. Ramos-Lopez, P. McCoy; J. Maul; D. Maul; Ricky Vasquez; J. Gutierrez; C.O. Beech; P. Ferguson; Powers; Schade; D. Drum; Dr. Chuma; C.O. Weller; Counselor Sadler; David Warren; J. Conquest; S. Thompson; C. Lyons; are legally responsible for the operation and for the welfare of all the inmates in the Behavior Management Unit at SCI-Frakville. (BMU), John Connolly as well.

⑤ Defendants Andrew Newton and Dr. Chuma were psychology staff at all times ~~as~~ mentioned in this complaint. Simpson, Bly, Purnell, and Moser, ^{Connolly} were and McCoy were all either shift commander or direct supervisor of the BMU at SCI-Frakville. Schickram, Blommel, Testen, McCord, Foulds, Kopinski, Tedesco, Ramos-Lopez, J. Maul, D. Maul, Vasquez, Gutierrez, Beech, Ferguson, Powers, Schade, Drum, Weller, Lyons, Sadler, Warren, Conquest, Thompson, John Doe 1-10 were all staff in the BMU and were assigned thereto on the days these events happened.

⑥ Each defendant is sued individually and in his official capacity. At all times mentioned in this complaint each defendant acted under the color of state law.

① DC-ADM Policy 13.8.1, ~~states~~: section 2- constant watch, states, all personal clothing shall be removed from inmate and an anti-suicide smock and BLANKET shall be provided.

② On several occasions Dr. Newton refused the Plaintiff a blanket in direct violation of DC-ADM 13.8.1 and all staff herein are to be trained and they are to know each Policy governing the BmU also known as the Psychiatric Observation Cell (POC). Dr. Newton purposely and with knowledge of the violation of Policy 13.8.1, refused to provide Plaintiff with the blanket. And when Plaintiff begged staff to provide blanket, staff more often than not that refused to provide blanket by laughing, refusing him food, literally ~~is~~ torturing inmate. There is a culture of this sort of torture at SCI-Frankville approved by Bly, Simpson, Purnell and Moser as direct supervisors of the BmU/POC as well as McCoy. In approximately January 2020, when there was a deep freeze in Pennsylvania, when the artic blast came down from Canada Dr. Newton ^{refused} ~~refused~~ the Plaintiff a blanket. The POC cell the Plaintiff was in, Number 2 and 3, had major cracks in the roof and window; so the Plaintiff was in the POC cell in below freezing temperatures for several nights while each Defendant herein laughed and refused him blanket requests and food at times. The Plaintiff specifically told defendants Schickram, Blommel, Testen, McCord, Foulds, Kopinski, Tedesco, Ramos-Lopez, McCoy, Maul, Simpson, Vasquez, Gutierrez, John Doe 1-10, Ferguson, its freezing in here I'm cold, its

been doing and no one has given me help what you guys
burn me for my food, please get me a blanket and some food,
all requests were ignored for the blanket and food was given
sometimes with each defendant named stating, just leave
the POC. I was being punished for asking for help at SCI-Frake-
ville. I have a history of mental health and each defendant
knows this and tortured me because of it. Its general knowledge
staff at SCI-Frakeville refuse black inmates blankets in the POC.
③ Bmu/POC staff refuse inmates showers, tooth paste, tooth brush,
soap, and grooming materials in order to coerce inmates out of the
Bmu/POC, so they can go back to general population or soli-
tary confinement and commit suicide. All inmates are allowed
grooming materials per policy, but the inmate must give them back
when finished with them, but staff at SCI-Frakeville refuse
these materials regardless, if you're a black inmate.
④ These issues were brought to the administration by grievance
numbers 847968, 863076, 866682, 866804, 868748, 868
755, 868942, 870731, 791355, 820376. Every single griev-
ance I've appealed except one, was never responded to. Grie-
vance 791355 was never responded to once POC Central Of-
fice remanded it. It is policy that inmates are to sign
for all grievances and a response, but the record will
show I never signed for any response by the remand
grievance numbered at 791355. Several "on-call" psych staff,
John Doe 1-10, refused blanket, showers, grooming material as
well, violating 13.8.1 and knew it, purposely doing it. John Doe nmi staff too

⑤ Staff purposely refuse to answer my request for SCI-Frakville. I have several documents that prove staff, constantly, sabotage the grievance process and misconduct process. (Please note I know misconducts can't be used here, but they have to in this case because it shows the pattern of due process violations by staff at SCI-Frakville, they sabotage both grievances and misconducts.) Staff have refused to give the Plaintiff responses to both misconducts and grievances, in order to sabotage said process, which the Plaintiff is entitled to have per DC-ADM Policies 801 and 804. Plaintiff was even refused legal mail and was stopped sending mail to Delaware County, PA for his case he's in prison for. It's general knowledge staff here do this.

⑥ On several occasions in the BMU starting in approximately January 2019, staff started doing pat searches on the Plaintiff's skin unnecessarily and against POC policy, just to harass the Plaintiff, all which are on camera. This was done to purposely make the Plaintiff upset and to antagonize. Plaintiff begged staff not to do this, but they'd done it anyway, ordered by William Purnell. Pat searching a naked inmate serves no purpose other than sexual gratification for the officers or to further torture inmate.

⑦ Lack of showers and food resulted in the Plaintiff getting several bumps, filled with puss on his arms, face, legs and chest and loss of weight. the EPOC cell are Filthy

And the Plaintiff received ant bites on his arms as well as spider bites, both resulting in bumps his puss, that left marks and hurt like hell. There was even a mouse in the POC. A doctor ordered hydrocortisol creme, for the bumps a few months ago, but the bumps never went away.

~~④~~ ~~there are~~ EXHAUSTION OF LEGAL REMEDIES

① Plaintiff William Cummings, used the grievance procedure at SCI-Frankville to try to solve this problem in the BMU/POC. Grievances were filed on March 2019, August 2019, January 2020, May 2020, all of which were sabotaged by staff at SCI-Frankville and/or not answered to, and if they were answered Plaintiff never received a copy of the response. It's policy that all inmates are to sign for all grievances and appeals thereto at SCI-Frankville, and Plaintiff never had a chance to fully pursue these claims in SCI-Frankville due to the sabotaging of staff, they violated the Plaintiff's due process right to. For ~~purposes~~ purposes of exhaustion Plaintiff has exhausted any and all available remedies in the DOC and the only available remedy is this lawsuit.

Legal claims

① Plaintiff was tortured by staff in the BMU/POC starting in 2018 until 2020 by being refused blankets, food, and mattress by DOC named tentin. Dr. Chuma was begged for blankets, food, and mattress but refused as well, he'd been asked by Plaintiff for showers, soap, tooth paste, and tooth paste and refused. Sabotaging my legal case I'm in prison for by stopping my mail from going out of prisoner

Case 1:21-cv-01006-MCC Document 1-8 Filed 06/07/21 Page 7 of 19

② No blankets, clearly violates the 8th Amendment to the U.S. Constitution, as well as the refusing of showers, Food, bug bites, refusing of mattresses, refusing of grooming materials.

③ This is only done to black inmates and SCI-Frakville has a history of refusing black inmates these essential items, based solely on skin color. Unnecessary touching is an 8th Amendment violation on bare skin.

④ the 14th Amendment is violated here clearly by staff at SCI-Frakville refusing to answer and/or provide the plaintiff the documents needed to exhaust all available remedies in the DOC, provided by state law.

⑤ the plaintiff has no plain, adequate or complete remedy at law to redress the wrongs described herein. Plaintiff has been and will continue to be irreparably injured by the conduct of the defendants unless this court grants the declaratory and injunctive relief which plaintiff seeks.

PRAYER FOR RELIEF

WHEREFORE, plaintiff respectfully prays that this court enter judgment granting plaintiff:

① A ~~def~~ declaration that the acts and omissions described herein violated plaintiff's rights under the Constitution and laws of the United States. I am requesting in forma pauperis status, as well.

② A preliminary and permanent injunction ordering all defendants named herein to stop refusing inmates blankets, food, appeals to DC-ADM 801 and 804.

③ Plaintiff seeks compensatory and punitive damages in the amount this court and a jury seems fit to deter this behavior.

④ A jury trial on all issues triable by jury.
⑤ Plaintiff's ~~costs~~ costs in this suit.
⑥ Any additional relief this court deems just, proper
and equitable.

Dated: 6/3/21 Wally

8. Subject: State your request completely but briefly. Give details. <p>I need some grievance appeal forms for the facility manager, I need 15 and I need 15 chief grievance officer appeal forms. 15. that's 2nd & 3rd level grievance appeal forms, 15 each. COs back here do not know what they are and they do not hand them out when asked especially CO Kruger, he'd give me 3rd level grievance forms when I'd asked for 2nd level forms, he probably can't read that well. Please send them to Ms Styka, I trust she'll give them to me. Also the rejected grievance 867470, this is not meant to be a PREA complaint, these COs are just bizarre in what they do. On grievance 864269 Wynder responds to that grievance stating COs interact w/ me using a female voice etc., that's not what I'd said. I'd stated they use some sort of microphone device that comes into this cell and they make themselves sound like females, it's all really bizarre. But anyway, you can withdraw the 867470 grievance all together b/c it's not a PREA, I have 3 in already and I'm not trying to saturate those guys w/ PREA's when I know it's hard to prove words, especially when they have on mics. But the camera does not lie, the unnecessary pat downs are a home run! So thanks in advance, sorry</p>	
9. Response: (This Section for Staff Response Only) For all of that, just tell them to transfer me.	
You need to address the above listed grievances ⑥ Appeals.	
I sent them to Ms. Styka to print for you.

DC-141, Part 2 E Misconduct Hearing Appeal	COMMONWEALTH OF PENNSYLVANIA DEPARTMENT OF CORRECTIONS		
DC Number GX8328	Name William Cummings	Facility FPCA	No. From Part 1

I was found guilty of misconduct number DS21712 - on 5/14/20
(date)

by the Hearing Examiner, and I wish to appeal that decision on the following grounds:

Check Area(s) Involved

- a. the procedures employed were contrary to law, Department directives, or regulations;
- b. the punishment is disproportionate to the offense; and/or
- c. the findings of fact were insufficient to support the decision.

Below is a brief statement of the facts relevant to my claims(s). It includes the identity of all persons who may have information that may be helpful in resolving this matter.

I still have the same matter that need resolving & I want the same relief as the initial appeal to PRC & the Facility Manager. the misconduct was not served according the DC-ADM 801, on the actual misconduct ^{neither} box is checked for "Forms Given to inmate" this is a clear violation of DC-ADM 801, the misconduct must be dismissed based on this. Neither PRC or the Facility Manager addressed this matter, per policy the misconduct must be dismissed. Also the misconduct states a cell inspection was done but on the CIK it states a general search was done. this is contradictory and insufficient to support the decision of guilt b/c the CO who actually issued the misconduct is confused as to what he did, it's obvious. No photo appeared at the hearing of the sheet or Fishing line. the CO was needed to bring clarity to the hearing, either he searched or inspected, there's a major difference between the 2. Per DC-154 I'm supposed to be present during a general search, I was in the shower, this policy is violated as well. I'm confused and I stated this at the misconduct hearing this is why the inmate version is needed because the HEX failed to state my confusion, had I received the inmate version it would be therein. IF COs don't need to serve the misconduct with the inmate version and witness & representation form please let me know, a memo change must come from Central Office giving inmate notice, which I haven't received. I'm just still really confused about this whole process, why no one addressed the fact that those forms weren't given but the HEX did not dismiss and the fact both PRC & the facility manager try to justify these violations are wholly outrageous and confused. No policy is quoted by either only sure carefully put together word, dr, totally ignoring the clear violations. I have a liberty interest in
